December, 1962

*To the Alumni of the Boston University School of Medicine:*

I was more than pleased with the tremendous support given to Dr. Olans during the past year. The Alumni Fund Campaign showed its greatest advancement in several years and special recognition should be given to the Classes of 1937, 1931, and 1953 as being outstanding contributors. Sidney Olans, the Executive Committee and the Fund Committee must be recognized as the successful monitors of the entire program.

As alumni, I am sure we will never forget our obligations to the great future of our Alma Mater and our new place on the horizon of medical education. My hope is extended for your continued support in the success of the Boston University Medical Center.

Sincerely yours,  
WILLIAM F. CROSKERY, M.D., '37  
*President, 1961-62*

# *from the Alumni Fund Chairman*

December, 1962

Dear Fellow Alumni:

It gives me great pleasure to acknowledge your conscientious and cordial response to the 1961-1962 School of Medicine Alumni Fund Campaign.

Total Alumni giving for all appeals this year represents participation of 48% while that to the Annual Campaign is 35%. Our efforts have been well rewarded.

Nevertheless, we hesitate to become complacent in the future. The Alumni Fund has done much to improve the quality of education — and in future years will achieve more — on the vigor and dependability of your concern and generosity.

I extend my special thanks to the members of the Alumni Fund Committee and to the Fund Captains for their devotion and assistance.

Cordially yours,

MURRAY M. FREED, M.D.
